Production of cars in country

1645. SHRI DARA SINGH:
SHRI RAMDAS AGARWAL:

Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES be pleased to state:

(a) the current production of cars in the country for the last three years, till June 2008, year-wise;

(b) the details of new tie-ups in the next 3 to 5 years;

(c) whether it is a fact that road infrastructure as well as non-availability of Steel etc. in the country does not permit production of more cars; and

(d) if so, what remedial steps Government proposes to take in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI RAGHUNATH JHA): (a) The production of passenger cars for last three years is as under:-

Category	2005-06	2006-07	2007-08	2008-09 (April-June)
Passenger Cars	1046133	1238021	1416482	365984

(b) Data on future tie-ups and details of existing tie-ups are treated by private companies as confidential and as such no such information is available with the Government. However, the details of the announced tie-ups in the recent past in the auto industry are as below:-

(i)	Mahindra-Renault	Cars
(ii)	Mahindra-International Trucks Vehicles	Commercial
(iii)	Tata-Fiat	Cars
(iv)	Renault - Nissan	Cars
(v)	Daimler-Hero	Commercial Vehicle
(vi)	Volvo-Eicher	Trucks

(vii)	Ashok Leyland - Nissan	LCV
(viii)	Force-Mann	HCV
(ix)	HM-Shangdong Shifeng	LCV
(x)	Bajaj-Renault-Nissan	Cars
(xi)	Swaraj Mazda-Isuzu	Commercial Vehicles

(c) and (d) No Sir. The car industry had a consistent growth in the last five years. However, better road infrastructure and availability of steel at a reasonable price will always accelerate the growth of automobile industry including the passenger car segment. Government of India has made major investments for development of road infrastructure including the Golden Quadrilateral and highways projects. Further Government of India has also taken steps to contain the prices of steel as a result of which the spot prices of steel has reduced to some extent.
